HOTELINE

Keeping guest rooms neat and tidy is always important, and Hoteline ironing centres offer rugged and strong boards combined with advanced steam and dry irons, all to be stowed neatly on the wardrobe rail.Our extra thick steel tubes and sub-frame, are combined with felt padded tops to provide a smooth glide when ironing all kinds of garments. Anti-theft cable locks keep the irons attached to the boards,reducing the incidents of iron “loss”.

Baby crib

HLBC-201

Hotel safety foldable wooden baby bed

- Pine material, after carbonization treatment, do not do any paint, environmental protection and safety
- base and mattress stored in crib when folded
- fire retardant mattress included
- double width heavy duty swivel casters for durability

Housekeeping feature

The unfolding and folding of the Hoteline baby crib takes less than a minute. Thanks to the dust cover the whole unit remains clean during storage. No need to worry where the mattress is, as it is stored inside the baby crib.

A sponge mattress with moderate firmness can protect your baby's spine.
